A Better Everyday

Message from the Group Managing Director

As we approach the end of this year, it is good to look ahead and think about what the new year may unveil. But first, let's take a quick look back. 2019 was a year we consolidated our efforts to solidify the plans ahead that will propel Suezcap to greater success.

I would like to start with appreciation to all my colleagues. Thank you for all your wonderful contributions towards our goals and achievement. To our clients, we look forward to your continuous support and we thank you for trusting our brand.

We have recently completed our rebranding exercise revealing a fresh and more relevant outlook for the organisation as a whole. Our professional profile has grown and evolved over the last decade and it was time for a change. Given the plans and expansion we have, the time is right for us to launch a new brand, vision, mission and values. One with a brand promise that is in line with our desired goals.

We have altered our logo to reflect who we are today and to symbolise our dynamic future. The new logo crystallises the name "Suezcap" to retain its market identity and establishment. It personifies the stability of the organisation and a successful journey filled with abundance and opportunities.

In this holiday season, I wish you and your families joy, warm memories and peace. May your new year be filled with success, happiness and good health.

Datuk Ter Leong Hing
Group Managing Director

—↔ REBRANDING OF SUEZCAP ↔—

We are proud to announce the launch of our new logo as part of the ongoing evolution of our brand.

Our professional profile has grown and evolved over the last decade and now it is time for a change. We have altered our logo to reflect who we are today and to symbolise our dynamic future.

The new logo crystallises the name "Suezcap" to retain its market identity and establishment. It personifies the stability of the organisation and a successful journey filled with abundance and opportunities.

The letter "U" and the 2 golden dots above is a smile from us to you; our associates. It is a symbol of togetherness and teamwork to make the partnership a success. Just like Suezcap and the community over the years.

We look forward to your continuous support to Suezcap and we thank you for trusting our brand.
